Add us as a primary resource for upcoming graduates, future graduates and alumni by;

- Adding a link on your website to ours
- Passing along this email
- Posting us on a job board
- Sending us your resume book if available

Our website, www.scinternational.com contains: descriptions of open positions; salary surveys; and interviewing tips.

S.C. International, Ltd. is a nationally recognized executive search firm who's mission as a staffing and recruiting firm is to assist people in locating the ideal employment situation best suited to them. We would like to reach as many people as possible through the building of relationships with professors and university placement staff.

S.C. International, Ltd. specializes in the actuarial marketplace on both a national and global basis. Client firms include insurance companies, consulting firms, corporations and financial institutions. Opportunities exist in all areas of Life, Health and Property/Casualty insurance and Pension/Retirement consulting

The hiring firms pay all fees and expenses. Salary offers have never been higher, often including substantial signing and relocation bonuses. (See Salary Survey on our website)

Please pass along this message to anyone who may be able to use our assistance; upcoming graduates, future graduates and alumni. People obtaining an Actuarial Science or Mathematics Degree are the most likely candidates. Also, anyone can access our website to view current position openings and salary surveys.

Please call anytime with questions or suggestions on how we can improve our services.

Please contact us to link our website to yours.

S.C. INTERNATIONAL, LTD.
