

STUDENT SYLLABUS

MAC 2311--18, 19, 20 Fall 2009

	LECTURES	RECITATIONS
MEETING TIMES & VENUE	(MW) 5.15 pm – 6.30 pm 101 LOV	Section 18 (R) 3.35 pm – 4.50 pm 102 LOV Section 19 (R) 5.15 pm – 6.30 pm 102 LOV Section 20 (R) 6.45 pm – 8.00 pm 102 LOV
INSTRUCTORS	Dr. Elizabeth Kam	Mr. Jamil Mortada
OFFICES	413B MCH	219D MCH
OFFICE HOURS	(T) 5.00 pm – 6.00 pm (R) 2.00 pm – 3.30 pm or by appointment	(TF) 10.00 am – 11.30 am or by appointment
E-MAILS	wkam@fsu.edu	jmortada@math.fsu.edu
OFFICE PHONES	645-9129	-

ELIGIBILITY: You must have the course prerequisites listed below and must never have completed with a grade of C- or better any course for which MAC 2311 is a prerequisite. Students with prior credit in college calculus may be required to reduce credit for MAC 2311 accordingly. It is the student's responsibility to check and prove eligibility.

PREREQUISITES: You must have passed MAC 1140 (Precalculus) and MAC 1114 (Trigonometry) with a grade of C- or better in each or have appropriate transfer credit. Placement in AMP Groups A4 and T3 (or A4 and T2 if you are currently taking trigonometry) also satisfies the prerequisite.

TEXT: Calculus (Early Transcendentals) (Sixth Edition), by James Stewart

COURSE CONTENT: Chapters 2--6 of the text.

CONDUCT: Turn off (or to silent mode) all electronic devices that might create a disruption.

COURSE OBJECTIVES: The purpose of this course is to introduce students to calculus and to demonstrate its usefulness in selected applications.

CALCULATORS: No calculators are allowed on the tests or final exam.

GRADING: There will be quizzes/homeworks (20%), four unit tests (15% per each test) and a cumulative final exam (20%). Students will take tests in recitations. Letter grades will be determined from numerical grades as follows: A: 90-100; B: 80-89; C: 70-79; D: 60-69; F: 0-59. Plus or minus grades may be assigned. A grade of I will not be given to avoid a grade of F or to give additional study time. Failure to process a course drop will result in a course grade of F.

EXAM POLICY: No makeup tests or quizzes will normally be given. A missed test or quiz may be excused if the student presents sufficient verifiable evidence of acceptable extenuating circumstances. If a test absence is excused, then the final exam will be used for the missing test grade. If a quiz absence is excused, then the next unit test grade will be used for the missing grade. An unexcused absence from a unit test will be penalized. An unexcused absence from a quiz will result in a grade of zero. Absences from tests and quizzes due to family social events will not be excused. Acceptable medical excuses must state explicitly that the student should be excused from class. Students must take the final examination at the scheduled time. Students must bring FSU ID cards to all tests.

MATH HELP CENTER: The Math Help Center is located in 110 MCH (Milton Carothers Hall) next door to the Love Building. The hours of operation will be posted there when they are available.

TEST #1: Thursday, September 10.

TEST #2: Thursday, October 8.

TEST #3: Thursday, October 29.

TEST #4: Thursday, November 19.

FINAL: Wednesday, December 9, 5.30 pm – 7.30 pm, 101 LOV

HONOR CODE: The Academic Honor System of The Florida State University is based on the premise that each student has the responsibility 1) to uphold the highest standards of academic integrity in the student's own work, 2) to refuse to tolerate violations of academic integrity in the University community, and 3) to foster a high sense of integrity and social responsibility on the part of the University community. Please note that violations of this Academic Honor System will not be tolerated in this class. Specifically, incidents of plagiarism of any type or referring to any unauthorized material during examinations will be rigorously pursued by this instructor. Before submitting any work for this class, please read the "Academic Honor System" in its entirety (as found in the FSU General Bulletin and in the FSU Student Handbook and ask the instructor to clarify any of its expectations that you do not understand.

AMERICAN DISABILITIES ACT: Students with disabilities needing academic accommodations should: 1) register with and provide documentation to the Student Disability Resource Center (SDRC); 2) bring a letter to the instructor from SDRC indicating you need academic accommodations. This should be done within the first week of class.

This syllabus and other class materials are available in alternative format upon request.
