

**MAC 2312 - CALCULUS II - MWF 11:15am-12:05pm - SYLLABUS - Fall 2013**

INSTRUCTOR: Sergio Fenley

Office: 214 Love

phone: 644-8711

email: fenley@math.fsu.edu

Course web page: <http://www.math.fsu.edu/~fenley/teaching>

Classes: MWF 11:15AM-12:05PM - Room 101 Love Bldg (plus recitation lectures)

Office hours: Mondays 12:10pm - 1:00pm or by appointment.

ELIGIBILITY: You must have the course prerequisites listed below and must never have completed with a grade of C- or better a course for which MAC 2312 is a (stated or implied) prerequisite. Students with more than four hours of prior credit in college calculus are required to reduce the credit for MAC 2312 accordingly. It is the student's responsibility to check and prove eligibility.

PREREQUISITES: You must have passed MAC 2311 (Calculus I) with a grade of C- or better or have satisfactorily completed at least four hours of equivalent calculus courses.

TEXT: Calculus (Early Transcendentals) (Seventh Edition), by James Stewart

COURSE CONTENT: Chapters 7–11 of the text.

COURSE OBJECTIVES: The purpose of this course is to introduce students to more advanced topics of calculus and to some of their applications. The material in this course should be mastered before the student proceeds to courses for which it is a prerequisite.

CALCULATORS: The students are encouraged to get a programable graphing calculator. It is a very useful learning device. Unless otherwise stated by instructor, programable calculators are NOT allowed in the tests or final exam, but they are allowed in the quizzes.

GRADES: There will be 3 in term tests and a final exam. Each test/exam counts for 100 points. The final may be cumulative. There will be occasional short quizzes. Quizzes are worth 100 points maximum. The final numerical average is obtained by  $(T1 + T2 + T3 + F + Q)/5$ . The final letter grade will be determined by the numerical grade by a scale which will be ROUGHLY as follows: A: 80-100, B: 70-79, C: 60-69, D: 50-59, F: 0-49. Plus/minus letter grades will be assigned to high/low numerical grades. A grade of I (incomplete) will not be given to avoid a grade of F or to give additional study time. Failure to process a course drop will result in a course grade of F.

EXAM POLICY: No make up exams or quizzes will normally be given. A missed test or quiz may be excused if the student presents sufficient verifiable evidence of acceptable extenuating circumstances. Unexcused missed exams or quizzes will result in a grade of zero. Students must bring FSU ID card to all tests.

SCHEDULE: Test 1: Friday, 9/20

Test 2: Wednesday, 10/16

Test 3: Friday, 11/15

Final: Tuesday, Dec.10, 5:30pm - 7:30pm, Place: Our regular classroom.

MATH HELP CENTER. The Math Help Center is located in 110 MCH (Milton Carothers Hall), next door to the Love Building. The hours of operation will be posted when they are available.

UNIVERSITY ATTENDANCE POLICY: Excused absences include documented illness, deaths in the family and other documented crises, call to active military duty or jury duty, religious holy days, and official University activities. These absences will be accommodated in a way that does not arbitrarily penalize students who have a valid excuse. Consideration will also be given to students whose dependent children experience serious illness.

ACADEMIC HONOR POLICY: The Florida State University Academic Honor Policy outlines the University's expectations for the integrity of students' academic work, the procedures for resolving alleged violations of those expectations, and the rights and responsibilities of students and faculty members throughout the process. Students are responsible for reading the Academic Honor Policy and for living up to their pledge to "...be honest and truthful and.. [to] strive for personal and institutional integrity at Florida State University." (Florida State University Academic Honor Policy, found at <http://fda.fsu.edu/Academics/Academic-Honor-Policy>.)

AMERICAN WITH DISABILITIES ACT: Students with disabilities needing academic accommodations should: 1) register with and provide documentation to the Student Disability Resource Center (SDRC); and 2) bring a letter to the instructor indicating the need for accommodation and what type. This should be done during the first week of class.

This syllabus and other class materials are available in alternative format upon request.
