

Thank you for supporting FSU Math

Your gifts are used in a variety of ways to support FSU Math. These include alumni networking efforts, such as the newsletter and social media, graduate student travel, recruitment, guest lectures, exam fees for actuarial science students, social events, and community outreach such as *Math Fun Day* and the *High School Mathematics Contest*. Your generosity will help us continue to offer a strong academic program, and foster connections that will create opportunities for life and career after graduation.

Please send your tax-deductible gift together with your information as suggested below either online (go to <https://www.math.fsu.edu/donate>, and send your information to chair@math.fsu.edu) or by regular mail to *FSU Foundation Mathematics Fund No. 0223, 208 Love, 1017 Academic Way, Tallahassee, FL 32306-4510*.
