

ATHENIANS

OLIVE VISTA JUNIOR HIGH PRESENTS

THE OLIVE BLOSSOM

MR. REID PRINCIPAL

The earth trembled with joy as the gift of Athena, goddess of wisdom, sprang up before the awe-stricken gods. Her beneficial gift to mankind--the olive tree, proudly bearing its rich glossy fruit--gave her the honor of naming a city, Athens.

Just as the city was named for Athena, we have chosen the name "Athenians" for our student body. As the ancient Greeks looked up to Athena, we Athenians look to our faculty and administrators. Under their guidance and wisdom we achieve our goals in life.

As the temple of Zeus, the thunderer, was located at Athens, so is the temple of education located here. The power of Zeus was his thunderbolt; our power is our education.

Just as the ancient Greeks looked to the gods for their great gifts, the people of America and the free world look to us for the powerful gifts of teachers, mathematicians, technicians, and scientists.

And with this goal in mind, we dedicate this annual to all Athenians--past, present and future.

--Mr. Horton's 3rd period B-9 English Class
