

FERPA Consent Form – Returning Graded Papers in Class M131:504 Spring 2013

If you do not want graded papers returned in the manner described below, you will need to discuss arranging a mutually convenient alternative with the instructor.

“When quizzes(Not exams) are returned in class, they will be returned to your row in the class room, and therefore, other students may see your quiz grade.”

When returning graded papers in this manner, other students will be able to see your grade. By the Family Education Rights and Privacy act, you have the right to complete privacy of your grades. If you do not want graded papers returned in the manner described above, please make an appointment with the instructor to discuss arranging a mutually convenient alternative. The instructor will NOT carry graded papers from previous weeks.

Please complete the form below and return:

To. Sanghyun Lee,

_____ Yes, I will allow the instructor to hand back ALL graded papers in class, even though I understand it is possible for other students to see my grade.

_____ No, I do not want any of my graded papers handed back during class. I understand that I must make an appointment with the instructor to arrange an alternative.
