FOLLETT ACCESS STUDENT GUIDE

SPRING 2023

WHAT IS FOLLETT ACCESS

- The Follett Access program allows you to receive your required course materials at the lowest available cost and have them ready before the first day of classes. The charge for materials will appear on your FSU account.
- You are automatically enrolled into receiving your materials when you register for the class, but can opt out if you'd like to using the link <https://ACCESSPortal.follett.com:443/0208>

THINGS TO KNOW

- If you've recently registered for a Follett Access course, please allow one business day for the new course to appear in the Access Portal, as we receive updated data from the Registrar's Office.
- If you drop a course, don't worry, any charges associated with the dropped course will be automatically removed from your FSU account.
- If you opt out, the charge will be reversed on your FSU account shortly after the opt-out portal closes.

IMPORTANT DATES FOR SPRING 2023

- Spring 2023
 - First day of classes is January 9th, 2023
 - The Opt Out Portal will open on December 19th, 2023
 - Digital materials will start to deliver on January 2nd, 2023
 - The last day to opt out or opt back in is January 20th, 2023

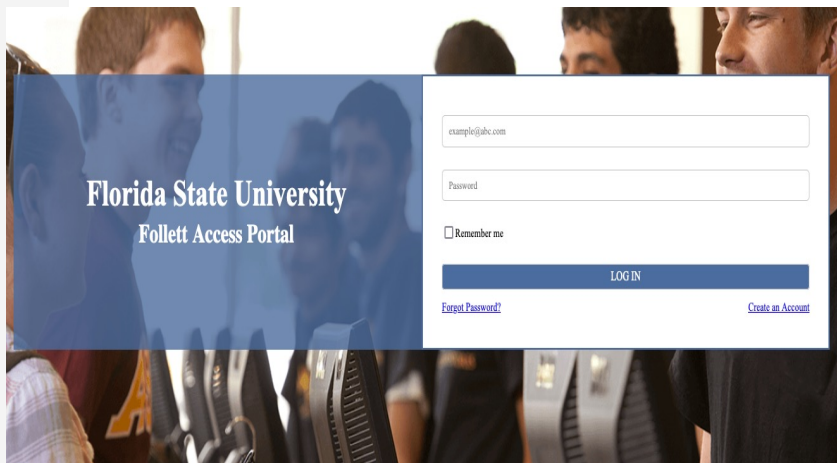

HOW TO ACCESS

- For Brytewave eBooks:
 - On the material delivery date, you will receive an email from Brytewave/Redshelf containing an activation link. You must use your FSU email address to login to your account and the book will be on your shelf. If you cannot find the link in your email, you can go to direct to **Brytewave.redshelf.com** or check for a **Brytewave** link in Canvas.
- For Canvas integrations:
 - For courses using Canvas integration or codeless delivery, you will only need to click the link from within your Canvas course to register your materials using your FSU email address. You will automatically have access when you sign up!
- For courseware with codes:
 - On the material delivery date, you will receive an email from the bookstore (Follett), with the subject line “your digital materials have arrived.” The email will contain a link to Canvas and your access code. Please visit your course in Canvas in order to redeem your access code.
 - [For a list of Follett Access courses and the methods of access, please click here!](#)

HOW TO OPT OUT

Enter your FSU credentials (ex. *student@fsu.edu*) into the Opt-Out Bookstore Customer portal and select “Submit”

Follett Access Portal Link:

<https://ACCESSPortal.follett.com:443/0208>

COURSE MATERIAL(S) DETAIL			
Course Name	Course Number	Title	Type
PRACTICUM IN SP MANG	DFLT>SPM>5947>0001	Custom FS Packback Questions (Access Code 9780692094600)	Digital

Course Number	Total to Student	Course Material Detail	
DFLT>SPM>5947>0001	\$30.82	View Course Material	Opt-Out

Your participating courses will be displayed along with the associated materials charge. Choosing the "Opt Out" option will deactivate your access to the materials and trigger a refund on your account.

You may opt back in if you change your mind before the deadline of January 20th, 2023.

Please note that the deactivation will NOT happen immediately for Canvas integration courses, it will happen after the opt-out portal closes.

REDSHELF EMAIL EXAMPLE

The sender of this email will be donotreply@redshelf.com If you cannot find the link in your email, you can also go straight to Brytewave.redshelf.com

From: Brytewave <donotreply@redshelf.com>
Sent: Monday, January 2, 2022 7:30 AM
To: Student <student@fsu.edu>
Subject: Brytewave | Your New Materials from Sage Publications

Hi Student,

Thanks for your purchase from Brytewave! The following materials have been added to your library at brytewave.redshelf.com:

SAGE Vantage: Child Development: An Active Learning Approach
9781071821251

180 Day Rental

An account has been created for you on brytewave.redshelf.com.

To access your materials, head to brytewave.redshelf.com, log in with your account information, and navigate to My Shelf:

E-mail: student@fsu.edu

If you have any questions or need assistance with your course materials, check out the [Brytewave Solve](#) knowledge base.
