

Confirm Access

1. Click **Learning Catalytics** from your Course Home page on a computer.

2. You can access Learning Catalytics right away from your MyLab course.

Join Sessions

1. Once your instructor has started a session, you see a **Join Session in Progress** button on your MyLab Course Home page.

Important Tips

- **Do not** go to the Learning Catalytics website and create a separate Learning Catalytics account.
- Make sure to cross over from MyLab to Learning Catalytics to confirm access **before** your professor delivers the first session in class.
- Join Learning Catalytics sessions from your MyLab Course Home.
